DETAILED ACTION

Allowable Subject Matter

1. Claims 1-11 are allowed.
2. The following is a statement of reasons for the indication of allowable subject matter:

There is no prior art that shows the claimed navigation device comprising an operating means for setting a scroll direction by a user and a scrolling means for scrolling the map image in the scroll direction set by the user along a road on which the vehicle position mark is located up to a predetermined position in claim 1 and also in claim 10 as scrolling images displayed on a navigation device comprising receiving a user selected direction for scrolling of the map images on the display and scrolling the map images on the display in the user selected direction until the next main intersection is reached. The user determines the scroll direction.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
